Alan

Please see attached a work request for legal advice on the draft Ofgem Administrative Arrangements document which is attached for your convenience. You will also note in the email below from Ofgem that they have asked not to share this document beyond or legal advisers. I would appreciate if you could therefore keep this document within the confines of your company.

This is a first draft of this document and would ask that you factor in that there is likely to be iterative communication and re-drafts concerning this document between DETI, Ofgem and DSO. We are requesting a quote only at this stage and once you have considered the estimated cost will need to obtain the necessary approval from the Director of Energy for you to proceed with this work.

If you require any further information, please do not hesitate to contact me

Thanks

Susan
