Stuart/Lucy,

Please see Teri's note below.

If you are content I propose asking Teri to provide the overall figure for our monitoring purposes but advise that we won't arrange payment until the usual break down is available.

Happy to discuss.

Thank you,

Adele Willis

Hi Adele

Yes we've had a slight delay as I've been struggling to get the breakdown that you normally need as finance have changed their reporting. It might be easier to give you the actuals without the GB breakdown to speed this up but I'm not sure whether that will work for Lucy/Stuart.

Regards

Teri

Good afternoon Teri,

We are currently profiling expenditure and would like to reflect accurate costs. We do not appear to have received the accurate costs for the Ofgem contract cost up to June 2016. Grateful if you could forward this and we will arrange payment.

Happy to discuss.

Regards,

Adele Willis

Hi Teri,

It would be very helpful if you would be able to provide the overall accurate figure for our monitoring purposes. However we will wait until we receive the usual breakdown before arranging payment.

Thank you,
Adele
