John

I attach MNI's response to the original 2011 consultation on the RHI. They raised concerns about the original NI tariffs being too low compared to GB. No concerns were raised about lack of tiering, etc.

We could find no other RHI related correspondence from MNI.

Happy to discuss.

Thanks

Stuart

Urgent query from John Robinson:

Did Manufacturing NI express an opinion in consultation (or elsewhere) about the RHI tariff?
