It begs the question how do they actually calculate/estimate an applicant's projected renewable heat output?

Hi,

I have checked the files and we have not previously received this information for any of the 8. I will send out email requests for the information today.

Kind regards,

Nadia

Davina,

Thanks for your request; I can confirm that we will action this and advise you of the outcome.

Nadia, please could you progress this? Please also update Davina if we already have this information on hand for any of the affected applicants.

Kind regards,

Edmund

Subject: RHI & Carbon Trust loan

Edmund

Further to our discussions this afternoon regarding NIRHI and de minimis state aid concerns, I would be grateful if Ofgem would request further information from the 8 applicants, whose applications are currently on hold, regarding their estimated hours of usage, as per their carbon trust loan applications.

Regards

Davina
