Subject: RHI Regulations - conditional commencement clause

Lucy

As discussed earlier, I have just spoke with Paul.

I explained the background to State aid position and he has asked me if I could have a word with UKRep / HMT to see if they could suggest a suitable form of words (e.g. the commencement date will be the day after State aid approval is provided by the EC).

He also said he hopes to have a revised draft in the next hour or so.
