Steven

Just to let you know that Kate just phoned to explain that there will be a delay in issuing their questions. This is because these have to get Director approval given the sensitivities with the case.

However, she also confirmed there are no additional questions to those they asked yesterday.

We also discussed the conference call next Wednesday and provisionally agreed 2.00pm UK time (3.00pm Brussels time).

Given the slight issue yesterday over the dial in details, perhaps it would be best if UKRep or NI offer to set this up?

Dan

If you are free, I would be keen to have a quick chat with you about the questions we have been asked to see if these are similar to questions you might have been asked in relation to the GB RHI notification.

I will be here today until at least 5.00pm.

Thanks

Stephen
