**ASSURANCE STATEMENT FOR 2<sup>nd</sup> AME FORECASTING EXERCISE  
2015-16 (AUTUMN)**

In my capacity as HOD for Energy Division, I have reviewed the forecasts in relation to Annually Managed Expenditure (AME). I am satisfied that the forecasts are the most accurate that can be provided at this stage of the year and that any required changes to my AME allocation have been put forward in the 2<sup>nd</sup> AME Forecast exercise (AUTUMN).
