Seamus

Apologies for the delayed response; please see below and let me know if you need anything else.

Kind regards
Edmund

	Audits conducted	Applications received	Audits as % applications
12/13	0	9	0%
13/14	5	119	4%
14/15	12	434	3%
15/16	14	2119	1%

NB:

Audits conducted includes pre- and post-accreditation audits

Applications received includes both preliminary and full applications

15/16 audits as % of applications is lower due to spike in applications received above forecast/funded levels; as discussed between Ofgem/DETI, planning for 16/17 will consider the most appropriate audit volume in 16/17 to reflect this situation

Edmund

Our Internal Audit team have asked for some further information on the NIRHI as outline below which I hope you can help me with:-

- **The total number of inspections carried out by Ofgem, (split by year), since the RHI was introduced in November 2012**
- **The inspections undertaken each year as a percentage of the applications.**

Apologies for the short notice but a response by am on Tuesday 3 would be very much appreciated.

Many thanks

Regards

Seamus
