Hi Michael,

Enclosed are tables/graphs as promised. We'll work on the summary by heat use this afternoon.

Application summary by no. of applications, sites and businesses

Metric	Value
Number of applications (installations)	2,129
Number of sites	1,205
Number of businesses	1,115

Applications over time graphic with key dates highlighted for the surge in applications

In this graph the 8th September is when tariff change was announced, 18th November is when the change was implemented and 29th Feb when you could no longer apply to be on the scheme.

Application status summary

Application technology summary

Technology	Number of applications
Solid Biomass Boiler	2,103
Ground Source Heat Pump	19
Solar Thermal	6
Water Source Heat Pump	1

Biomass boiler size breakdown

Application Geography

Business type summary
