4 July 2014

Dear Mr Colvin

**INTERREG IIIA PROGRAMME IRELAND/ NORTHERN IRELAND 2000-2006
PROJECT REF 014344– RENEWABLE POWERED VISITORS CENTRE**

Thank you for your letter of 3 June seeking clarification on the amount of clawback in relation to the renewable powered visitors centre overpayment of €10,302.

I enclose, for your records, the Departmental reply of 18 March 2010, that issued to then Chief Executive (Interim), Mr Michael Docherty, by email.

A spreadsheet showing the breakdown of €10,302 is also attached. These corrections were calculated by revisiting each claim and applying the correct exchange rate and intervention rate. This method was agreed by SEUPB who advised that DETI should use the exchange rate of the month that the claim form was signed by the project.

I hope this information has been helpful. Please do not hesitate to contact me should you have any more queries.

Yours sincerely

**JOHN MILLS
ENERGY DIVISION**
