Importance: High

John

Following the concerns raised by the Committee over the impact immediate closure will have on the industry, I am recommending that the Minister meets with Alternative Heat provided a meeting can be arranged quickly. I've therefore include both an acceptance and rejection letter accordingly.

Happy to discuss.

Thanks, Stuart

Stuart

Please see quick advice draft attached. I am recommending decline given that there is little point in a meeting since the RHI budget is exhausted.

Regards

Seamus
