Dear Bob

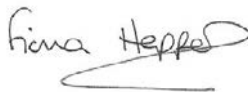

ADMINISTRATION OF THE NORTHERN IRELAND RENEWABLE HEAT INCENTIVE

I am writing to confirm that DETI wishes to enter into an Agency Services Agreement (ASA) with Ofgem for the delivery of the administration of the NI Renewable Heat Incentive.

I understand that Keith Avis is initiating the mobilisation of a project team (which will take 4-6 weeks) and that the subsequent development phase (which will last about 4 months) will include the preparation of a mutually acceptable ASA at an early stage.

I look forward to working with you on this project.

Yours sincerely

FIONA HEPPER
