- Regs don't mention anything about State Aid.
- Not a complete alignment
 - ~~that were reg~~ is what we're doing
different from what was notified.
 - change in administrative approach - legal
position may be that additional state aid
may incur extra costs or they may
determine that they are not the appropriate
^{checks}

Ofgem will put together the options before the
meeting - will pull together costs etc.

15-19th - Stephen to check times.
