Andrew,

Stuart is going to give you a call now to explain his paragraph 4.14.

Alan

**Subject:** RHI Business Case Addendum (Version 3) (091015)

The attached is from the casework papers from October 2015. Paragraphs 4.13-4.16 touch on the tariff issue. I don't understand the section I have highlighted in 4.14. What I don't see is any mention of the fuel cost of 4.39p/kw. Yet the discussion gets very close to some of the points that we are now dealing with.

Can you have a look and give me a call when you have considered.

Many thanks.
