

27.1.15 - Telecom with Sps

Purchase order to Sps - check with Sandra
let Tari know.

NI RHI applicants (51) for Jan as high as G.3 !!

1) More than one boiler

Heating system definition - not specific in NI scheme

* Working definition needed (Technical) **

Gas rule hydraulically linked = one system

Phase 2

Extension of G.3p tariff to 200kW } should have
District heating to reduced uplift }

sector specific tariffs DECC consideration?

2) Domestic / Non Domestic. application checker

Declaration based approach - would work

Risks could increase over time e.g. / per hour

simple spreadsheet will suffice

Date Protocol back from Sps this week

Next meeting - Regular meeting going forward
on a monthly basis

Last Wed morning and nit.
