2/7/15 - Telecon with Joan

\* Draft policy paper to Joan?

- ① kWh or straight hours tier can be administered without difficulty.
- ② Different system could generate extra domain costs - need decision soon!!  
200 payments per month. automated option needed
- ③ going forward other phone 2 houses may need to consult again.
- ④ Grace period for set number of applicants - say 60 - DEPT certificate? stipulation in Regs or something in the Administrative Agreement similar to the Carbon Trust - De minimis rule - What about non paying application?
