Kathryn

Thanks - are you recommending the amendment is included.?

Our executive paper requesting the lcm was cleared last thursday so we are clear for scheduling a debate in may.

Our lawyers will have the instructions to parliamentary counsel drafted within the next few

weeks.

We have a letter drafted to Chris Huhne from our minister - in terms of timing when would it be most beneficial to send this ?

I'm out of the office at the moment but will give you a call later to discuss.

Alison

Just a quick update on where we are with the RHI amendment.

I have spoken to senior officials and we are going to put a submission up to Ministers this week.

Happy to discuss.
