To note re the RHI and AME point - Finance will commission in January - so, hang on to this note until then in case nothing emerges and we need a push.

Trevor

Thanks - I'll await the AME exercise and we'll contribute as necessary.

Re 2 - I would be in your camp on this - INI have already submitted a bid for £18m for marine renewables which, so far, I believe is below the line. I'll talk to DS and DT and Olive Hill and see if pushing it would be a more productive route - although you will have see David S's e-mail of yestredya evening.

Re 3 - I'll have a word with Brian and keep you in the loop as necessary.

Thanks again

Fiona
