Peter

I refer to the above and to your letter to Paul McGinn of this office dated 15th August 2011.

I have now been allocated your file to deal with under file reference SOL 29872/2011/DETI. I have not yet had the opportunity to get up to speed with what has been happening since our last correspondence on this matter. Furthermore, given that I only work Monday to Wednesday, it will be next week at the earliest before I will be able to come back to you. However, I will be in touch as soon as I can after that.

Kind regards

Nicola

I refer to the above and to previous correspondence. In your letter to Paul McGinn of this office, dated 15th August 2011, you refer to the NI draft Renewable Heat Incentive Regulations being based on the GB Renewable Heat Incentive Regulations 2011. It would be helpful if you could forward a copy of the draft GB Regulations as soon as possible.

Thanks

Nicola

Thanks for all the links. One more question for now, have there been any further drafts of the NI Regulations since your letter to Paul McGinn on 15 August 2011? If so it would be great if you could forward the most recent draft.

Thanks

Nicola
