No indication that they are going to call anyone from DoF as witnesses. Lucia is just writing to Andrew along the standard line.

Julie

Do we know what witnesses are likely to be called? Which is code for asking if I'm likely to be called given the DFP angle to this!

Julie – thanks.

This is likely to take up a lot of our time in prep. The key issue from our perspective will be the May – December 2015 exchanges between DFP and DETI.

Just to let you know Lucia has just confirmed with me that PAC will be taking the above on Wednesday 28 September.

DfE are already working on this basis.

I will liaise with Michelle as necessary regarding DoF input.

Thanks
