I remain surprised by this given the unfunded RHI pressure facing the new Economy department in 2016-17

Emer,

Mike spoke to the Minister today and following the Dr Farry meeting, the Minister is keen to provide an additional £10m to DEL/Economy for skills in June Monitoring. In addition she is in favour of an additional £10m to be 'baselined' in the next Budget period and Mike wants this reflected in some form in the SSE speech. We can discuss on your return.
