David,

As I advised you earlier, the issue of very significant liabilities continuing to be incurred through the RHI Scheme and the potentially serious financial ramifications for DETI and the NI Block, was raised at a meeting I had with the First Minister today.

I understand that DFP is equally concerned and that you have previously provided advice to DETI on the subject and want to see the scheme closed. I know you are engaging directly with DETI and I would ask you to keep me informed.

Many thanks
MALCOLM
