Apologies. I had to rush off to an event immediately after we spoke. I understand Andrew was in touch and the DETI Minister has now written. Let me know if there is anything else to follow up .

Andrew Crawford will speak to Tim Cairns. We think your Minister need to send a short note to FM / DFM (copied to Finance Minister) saying that “ following discussions with yourselves etc etc I am keeping scheme open for 2 weeks ...”

We think this is necessary to regularise the position with Executive and to give cover when DETI bid in June Monitoring
