Sean, hope snow didn't stop play. I need to reorganise today as I want to start off the day with party meeting at 9:30am.

Can we therefore rejig the critical issues meeting until noon. Issues for that meeting should include RHI, and the welfare mitigation issues Naomi Long brought up yesterday (additional to bedroom tax).

I have cancelled my constituency meeting at noon.

I will attend the procurement meeting from 10:30 to 11:50am.

Sorry for short notice but hope this works. Mairtin
