

Renewable Heat 3 June 2015

Eugene, Trevor, John & Stuart

PfG Target to get 4%

Review should have been undertaken in 2014-15

Tariff

VfM

GB & NI

6.4p per kwh for biomass

GB

@1300 hrs per annum declines to 1p per kwh

Moy Park now at high levels of use

Can't change retrospectively - once committed stays for 20yrs

GB can change tariff at one months notice and change every three months

Need primary legislation to change

Up to recently it was underspending

Budget for 2015-16 Budget set at November 2014 - £12m

1. Regularity

£3.2m spent since 1/4/15

Up to 31/3/15 - £20m a year committed for 20 years

14/15

£6.8m

£20m committed
