The investigation will find too much that will JB had a point re last summer. The January combination of me at the PAC and John Crawford's name looks like too big a risk to me. Either you must have a super plan tucked away, or you must have concluded there is no way to manage. Hope I'm wrong!!

That is the basis on which I have been drafting.

It's not what it is it's what it looks like. Sorry need some sleep!
