I'm watching this show for the second time. Is this the day we had our row? It was you and Andrew in office? I put you out and me and him rowed. This is not my memory

Timothy Cairns 16/12/16 00:40

I.e. What he is saying is not my memory

Me 16/12/16 00:48

Tim. Trust all is well with you. It was that day. I also disagree with Johnathan's recollection. Happy to have a word in the morning if allowed to, but I think everything must be on the record.

Timothy Cairns 16/12/16 00:50

I'm happy for it on the record! I'm rather outraged by all this.

Me 16/12/16 00:54

There is a lot of it about. Let's talk tomorrow - rest assured, no attempt to set you up that I am aware of.

Timothy Cairns 16/12/16 11:03

Chris let me know when is a good time to call

Me 16/12/16 13:38

Need permission first, will speak to Andrew M.

Me 16/12/16 14:55

Tim, could take a call now if it suits; Andrew will sit in.

Timothy Cairns 18/12/16 20:14

I see you put the Ian McCrea bit in I assume someone spoke to him?

Me 18/12/16 20:16

Acknowledge that he was there at some point; can't be certain that it wasn't 1 to 1 at some point, hence wording used.
