Thank you Timothy

I have requested the e mail communication now on several occasions re BCA on 1st March on several occasions.

I was in OFMdfM and received all respective e mails for 4 years I never breached a confidentiality I therefore require the relevant e mail which I assure Arlene will be dealt with appropriately. Please forward within 1 hour of receiving this e mail.

I am happy to meet with Arlene following receipt of this and will prioritise my diary accordingly.

I will meet with Arlene on an one to one basis Nigel Dodds MP is welcome as he always is for all or part of any meeting I have - there will be no other personnel for the whole of any part of this meeting.

Please place on the agenda the last paragraph of my reply to Arlene's first e mail which was sent from her iPad which I thought would have been a priority.

It is my intention to listen respectfully to anything that is said, make my contribution and then after prayerful reflection to inform both Nigel and Arlene of my decision.

Yours Sincerely

Jonathan Bell MLA

Please forward this e mail with immediate effect to Nigel Dodds MP

Dear Jonathan

The purpose of the meeting is to discuss issues relating to Wright Bus and your concerns, the subsequent events of the last week including the events at Belfast City Airport and the ongoing lack of communication.

You have asked to see the emails re BCA and Arlene is happy to share these with you in the meeting. You will understand that these mails were sent directly into the office and we want to respect the confidential nature of emails received and therefore it is better that you see a paper copy.

Arlene has indicated that it is likely that Nigel may join this meeting subject to scheduling. Normally I would be in attendance but if that's an issue for you I don't really care one way or other.

As arlene is travelling to the States it is better to meet before the week is out and preferably tomorrow. Perhaps you can ask your Private Office to contact FM office to arrange? If not

then through me.

Come down and have a meeting and stop sending emails as if you never had a conversation with any of us in your life. Hardly very gracious jb. Let's get sensible.

May I again request the e mail that Arlene referred to of the 1st March at Belfast City Airport which she describes as detailing an "incident" I believe it is fair, reasonable and proportionate to afford me a considered response.
