Just to underline – I have spoken to Brendan this morning and there is no question that Janette **did** give consent for the email to be released with the redactions that were applied.

Many thanks.

My colleague Brendan spoke to Janette this afternoon.

She confirmed that there had been no contact with Minister Foster other than the exchange of letters. She sent identical letters to the Department and to the constituency Office. That is consistent with our records as retrieved today.

She asked that her name and her firm should be redacted on any release.

I hope this helpful.

Many thanks.
