Dear David,

I understand there is a possibility, that Dr Andrew McCormick may be willing to give BBC NI an interview about his role in the RHI controversy and in particular, answer some of the claims made by the former Enterprise Minister, Jonathan Bell, in his television interview with Stephen Nolan on Thursday December 15th 2016.

I further understand that your office has requested any records that we have of conversations between Dr McCormick and Mr. Bell, and confirmation that they are complete and unaltered.

As you will understand, we are unable to meet this request.

The bid for a BBC NI television interview with the Permanent Secretary, Dr Andrew McCormick, stands and we will be happy to make all the necessary recording arrangements at short notice.

I look forward to hearing from you,

Best wishes,

Kathleen
