What a non story but a sign of things to come ...

Nolan has this evening been in touch via text with Stephen Brimstone.

What was he saying to SB?

I was just thinking about the Sunday they ran a front page about Personal information redacted by the RHI Inquiry

Inquiry

Sounds like best friend.

What does every day look like? Five full programmes?

Personal information redacted by the RHI  
Inquiry

What if he runs that story on Monday? It'll distract from what Arlene will say

Personal information redacted by the RHI  
Inquiry

I fully expect that by the time she does interviews she will have all that to deal with. Have been working lines on that basis. On many levels having talked to both chaps today it is v difficult to see what it is doing to them and their families.
