Stuart,

Can I double check this please. I had just heard from David Fletcher that it was to be him and Bob covering NI RHI. I am happy to do it if you feel that's more appropriate.

And is it an update on NI RHI you want or one on GB RHI?

Thanks

Matthew

Could I ask you each to provide a quick update at GEMA tomorrow – please note: QUICK (John has no tolerance for lengthy discussions) on:

- Offshore
- Infnis and legal risks
- RHI
- CERT/CESP progress.

I'll do the initial lead in and then handover to you.

Thanks
