Thanks Ashley,

I think we need to provide update on NI RHI – We met DETI this morning and they confirmed that NI Ministers want the scheme to go ahead as soon as possible (which is probably at some point in September) and will not wait for amended GB regs. This means that they will be exposed to the same risks/issues as the GB part of the scheme. Marcus believes (and I agree) that we may need to update the Authority to ensure they are comfortable with this. It would be good to get the MC's view on how best to approach this.

Thanks,
Luis

I'm going to have to be at MC for a while for EPC / PIP – so happy to sit in on the rest unless Luis / Jacqueline would prefer that honour.

If I am going, can Luis/ Jacqueline let me know if there's anything major that's happened that constitutes a "key development" since last week?

Ashley

Hi

Matthew would like one of you to attend MC today on his behalf. Kindly let me know if you are free to attend so I can notify Stuart. He said he will call at 1.00pm.

Thanks
