Many thanks Peter, I'm sorry if this seems like you're repeating yourself all the time – I know we've had these conversations before and you've given your steer, just that now we're into the specifics of the system development, our developers need final assurance – so again thank you for your patience and for replying so swiftly.

Subject: E-Serv Logo / NI RHI

Paul,

Susan has explained about the branding for the 'landing page' on the Ofgem website regarding the GB RHI and the NI RHI.

Just to confirm, we are content for the Ofgem E-Serv logo to remain on this page and do not expect there to be any issue with this.

If you need anything further let me know.

Thanks,

Peter
