You won't get our input for formal sign-off by **that date**, as advised

I will be lucky to have even opened the doc by then, and certainly none of my team will have looked at it

If Devt Team are signing it of, OK

Lindsay

Hi all,

Hope this is convenient to walk through the NI RHI Use Case Discovery document, which details the use cases which will need to be updated to accommodate the inclusion of the NI RHI in the existing RHI system.

Please note that we will be looking to gain formal sign-off of this document by **close of play Monday 3rd September.**

Kind regards,

Niketa
