Subject: RE: IT Costs for NIRHI
Received: 2012-08-31T15:00:54Z

Luis, Keith, Rita,

Thanks for your time earlier in what I believe was a productive and positive meeting.

I believe we agreed that Keith will be circulating the draft proposal incorporating what we agreed to earlier, regarding fixed cost (33%) but with variable scope, by the end of today so I can review before I am off next week.

Regards,

Richard
