Hi yes as this going is what we were going for originally. Keith I think we need to work on this together so we ensure accuracy. R

Keith,Rita,

I think we'll need two versions of the paper:

The first one just enough to explain to Bob and Matthew where we are, containing what we agreed with IT and our overall proposal including costs for today

The second one, a proper proposal with detailed plans and dates for the board to review and agree

Does that work?
