Morning Louisa,

Thanks for your comments.

I will re-do and resend. Please note the Vol.2 Exec. Summary and Intro is the same as vol. 1.

Kind regards

Michelle

Hi Michelle,

I have reviewed your document and made some comments on a new version, attached. The main issue is that the Exec Summary should really provide a brief summary of the whole document, running through key ideas and thoughts. Yours is more of a general intro to the scheme.

I'm happy to look at it again once it's been altered, and also happy to chat about this on Monday if that would be helpful.
