Michelle

Further to your liaison with Joanne, please find attached the latest set of draft NI RHI Regulations which we received last night. I have highlighted sections in green in the attached document which are issues we are arranging to discuss with our legal advisers. Once we have a further update of these Regulations, we will forward them to you at the earliest opportunity.

In the meantime, if there are any other issues you have in relation to the Regulations, please do not hesitate to contact us

Many thanks

Susan
