Morning Joanne and Peter,

Great to meet you last week. Hope you are both well.

Now that the consultation period is properly underway, I just wanted to touch base with you regarding the above:

- Is it possible to have a weekly update regarding what comments/emails/calls etc you are receiving? I feel that this may help to minimise any surprises at the end of the consultation window and would allow me to get to grips with any thorny issues sooner rather than later.
- I would like to set up a 2 ½ hour meeting on the 19th Oct so that we can discuss all the feedback and decide any changes needed. Please can you let me know what time would suit you so I can organise this my end.

Kind Regards

Michelle
