RE: Northern Ireland Renewable Heat Incentive (NIRHI)

Hello,

Ollie M has very kindly allowed the NIRHI development team (or more precisely - me) to use this slot to run training with you concerning:

- a) The key differences between the GB and NI schemes in terms of administration and how it will affect your day to day work;
- b) The manual process for accreditation and how these activities will interact between teams (Fraud & Compliance, Operations, Finance etc...)

If people cannot attend, please make sure you've arranged for someone to pick up a training manual for you and to bring you up to

speed with the key points.

Many thanks

Paul

Hi Jane,

Mav and myself will have to be excused from this meeting as we are training London and Glasgow on the NIRHI manual process via videoconference from 2-5pm. Hopefully we're not essential for sign-off being a Band C and B.

All the best,

Paul Heigl
