Michelle

I would suggest that we say that we do have this information (which indeed was what I said to Joanne) but that this is covered by data protection and applicant confidentiality rules, so while we can discuss summarising figures in a way that best suites DETI, we would be restricted in providing the names of individual people without their prior consent.

When I was speaking to Keith, he indicated that you could provide us with a list of those who have got application forms. Grateful to have sight of this list asap.

Many thanks
Joanne

Dear Morag,

Welcome back and Happy New Year!

Please could you look at the below? Have spoken to Jacqueline and she suggested I ran it past you before replying to DETI. Am looking to send a 2 sentence reply which would be in line with the way we deal with GB. Incidentally, the only real info we have right now is the name of the requester of the application form and their email address!

Also – bearing in mind that data protection is a little bit of a minefield, could we get together at some point soon to discuss what **we** are allowed to collect and also what we are allowed to share? When would best suit your schedule?

Thanks in advance

Michelle
