

Dear sir/madam

I am writing to inform you of a case of fraud.

Personal information redacted by the RHI Inquiry

It has come to my attention that Mr Stephen Brimstone  Northern Ireland/SPAD/special advisor to the 1st Minister is claiming money on the Non-Domestic Renewal Heat Incentive. This is a total fraud and is in keeping with the mindset of our political elite!

Mr Brimstone fitted a wood pellet boiler to a shed at the rear of his dwelling house and the reason he is able to claim this Non-domestic RHI is that 'it is to heat his agricultural shed'!!!! Mr Brimstone should be claiming the Domestic RHI which ofcourse is FAR LESS Financially rewarding!!!!!!

The shed is no more agricultural than he is! He is using the pellet boiler to heat his mansion home at the TAX PAYERS expense! This is a total fraud!

Yes, he has a flock number! But ask him where the sheep are that are in the Flock number? - this is a total fraud!

If he is a farmer where is his tax return?

Where is the land that he farms? What land is on his Basic Payment Scheme form? - NONE

Please investigate and report to the tax payers!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
