David

I attach a further copy, showing with track changes my suggested amendments and, in bold, my comments.

I haven't repeated those of my earlier comments that you have decided not to reflect in your revised draft, but it hopefully goes without saying that I am not withdrawing them.

Marcus

Marcus apologies for the tardiness.

I have amended the wording on paras.

1.4

1.5

And

6.5

To reflect your comments. I would be grateful if you could look over these and let me know whether this reflects more the concerns you raised.
