Dear Fiona

ADMINISTRATION OF THE NORTHERN IRELAND RENEWABLE HEAT INCENTIVE

Thank you for your letter of 4 May. I am delighted to have received confirmation that, pursuant to section 114(1) of the Energy Act 2011, DETI wishes to enter into arrangements with GEMA in respect of the proposed NI Renewable Heat Incentive scheme.

My team and I look forward to working with you. I know that Keith Avis is currently working to recruit the development team as soon as is practicably possible and will be keeping Joanne McCutcheon from your team full up to speed with progress. I am aware that Keith and Joanne will review the budget and delivery plan provided in the feasibility study in light of the changes to start date and scope.

Yours sincerely

Robert Hull
