Hi Joanne

Do you have anything confirming how you would be storing this information from a data protection point of view as I'm not being given a definite no at the moment, so keen to see if there is anything laid down – I know we discussed it many times, but if you have anything I could pass on it would help

Thanks

Teri

Subject: phone call

Hi teri

After I came off the phone it occurred to me that it is probably Sheridan Hood – because they would have phoned a few times re publicity they were doing.
