Hi Joanne

Based on the numbers you are achieving at the moment, I expect that we will accredit between 140 – 180 on the scheme during 2014/15. This equates to 12 – 15 a month. This month we have accredited 13 so far, which is in line with the last couple of months. Please can you let me know whether you think this feels reasonable to you or whether you expect higher numbers based on what you know about the scheme locally.

Thanks

Teri
