Hi Morag,

Would it be easier for me to print a few copies and bring them down? Only suggest it because exporting it sometimes becomes unreadable.

Paul,

Please can you send us a link to the NI RHI plan in something other than Project as none have it on our PCs.

Thanks

Morag

Jane,

For RHI I was talking to Ruth yesterday and she has received all the recent rebaselining information from Jacqueline, but she is looking for work plans (as below) and I don't think that, as yet, we have any specific work plans which would detail what chunks of work are and coming and when, which is what Ruth needs to be able to do an estimate on.

Regards

Morag
