Niketa you are a total rock star!! Thank you for turning that around so quickly – I'll get these over to DETI and have them draw up what their table will look like.

Thanks again,

P

Hi Paul,

Thanks for sending those responses through, they are indeed useful.

Please find attached an extract from the RHI GB database details the various tariffs, and the associated rates, technology types and capacity ranges. There are currently 42 GB tariffs; each tier of a tariff is classed as a separate tariff in the GB database.

Hope this helps,

Niketa

Hi Niketa,

I sent these answers on to Sophie, but notice she's out of the office until next week. Thought they'd be useful for you as I think the queries originally came out of meetings between you two, I think the
