Hi Nadia,
No problem, we are happy to do this.- I agree it definitely sits with us.
We will get something to Seamus by the end of the week.

Subject: DETI question – list of regulatory amendments made to the GB scheme

Hi Atika,
I liaise with Seamus Hughes at DETI quite regularly in relation to the NIRHI state aid issue. Because we have now developed a relationship he tends to come to me with other questions on the scheme including those related to eligibility matters. It is clear that there are plenty of issues which effect the NIRHI scheme which no longer effect the GB scheme due to improvements made to the GB scheme through regulatory amendments (e.g. a question on processes outside a building arose today). Although Seamus is aware that there have been amendments to the GB scheme he is not clear exactly what they were and we think it would be useful if he could be sent a list.
Is this something you can arrange please? I am assuming this is an aspect of your relationship with him – let me know if that's not the case or if I can help further.

Thanks,
Nadia
